BREWERS HILL, Baltimore, MD

Historic charm meets modern convenience in this inviting rowhome in the vibrant Brewers Hill neighborhood. The bright and welcoming living room features rich hardwood floors, an exposed brick accent wall, and a pleasing neutral palette that flows throughout the home. A decorative stained-glass window and a deep box window, perfect for plants, pets, or décor that add unique character. The living room transitions seamlessly into the dining area, highlighted by a contemporary ceiling fixture, before opening to the eat-in kitchen. Here, granite countertops, a peninsula breakfast bar, stainless steel appliances, a gas range, and a ceiling fan create a stylish and functional space for cooking and gathering. Step right out from the kitchen to the deck for al fresco dining, with stairs leading to a rare and highly desirable two-car parking pad. Upstairs, the primary suite offers a bay-style bump-out window and a private en suite bath. The second spacious bedroom enjoys access to its own private upper deck with city views. The finished lower level expands your living space, serving easily as a recreation room, home office, or potential third bedroom. A full bath, laundry room, and walk-out access to the parking pad complete this versatile level. All of this comes with a sought-after Brewers Hill address; steps from the new neighborhood bagel shop, The Shops at Brewers Hill, popular Mobtown Brewing Company, nearby Canton hotspots, and just minutes to the Johns Hopkins Metro station. This home truly

checks every box.
