Residential on 0.29 Acres

BERWYN HEIGHTS, Berwyn Heights, MD

A Designer's Retreat!! This home is owned by Architects who have transformed every space with stunning and functional updates. The galley kitchen and dining area are complete with solid wood custom cabinetry, new appliances, and a pantry/coffee/bar area that buyers will love! The wood floors have been refinished throughout and lead to 3 well-appointed main level bedrooms and a renovated bathroom. Separate, but also on the main level of the home, there is a fully functional In-Law Suite complete with two full bedrooms, a large, fully renovated bathroom, and a kitchenette with living/dining space. This suite has it's own entry and laundry, making it fully independent from the rest of the home. Currently, it is serving as a home office, with meeting space, so it has a multitude of options available. The basement is cozy and large, great for entertaining and has an entry right next to the driveway. The fully bathroom has a roll in shower and is also nicely done, with ceramic tile and personal touches.

Outside the yard has become a miniature farmette, with loads of edible plantings. The garden is like something out of a book, with mature fig trees, strawberry fields, and grape vines. There are two large sheds in the garden area. One is fully finished and could be used as a gym, office, or yoga studio. The other has a functional carpentry work area and could be used for all sorts of projects. Both sheds have a fully separate electric panel and

the finished shed has heating, cooling, and lighting.
Your buyers are going to fall in love with this home. The potential uses are endless. The driveway next door is connected but not shared.
